

# EOE / VICTORIA

employment opportunity exchange

---

## You're Invited!

Employers, and newcomers and immigrants to Canada are invited to attend a new kind of employment event—an opportunity to build relationships and participate in facilitated discussion to share experiences and address barriers and misconceptions. Let's create meaningful and sustainable employment opportunities together!

If your organization is actively recruiting and committed to a workplace of diversity and inclusion, we welcome you to be a part of the EOE.

**EOE (Employment Opportunity Exchange)**  
**April 9, 2019**  
**9:00am – 4:00pm**  
**Comfort Inn & Suites**  
**Victoria B.C.**

***“This is the very best career fair / sharing exchange  
between newcomers to Canada and employers that I have been to... ever.”***

—Jacquie Burden, Employment Facilitator, Co-op and Career Services, Camosun College

**Employment Opportunities Exchange Mission Statement:**

Newcomers and immigrants to Canada are the future of the Canadian labour force, bringing advanced education, global versatility, adaptability, multilingualism, and a drive to succeed. The Employment Opportunity Exchange moves beyond a traditional job fair and offers accessible and inclusive opportunities for prospective employers and newcomers and immigrants to Canada to personally connect to break down barriers, address misconceptions, discover each other's assets and build relationships that lead to meaningful and sustainable employment in our community. The EOE is open to all newcomers and immigrants to Canada and to actively recruiting employers interested in growing their cultural competencies and learning how to support a workplace of inclusion and diversity.

**RSVP TO THIS EMAIL TO REGISTER AND TO RECEIVE EMPLOYER INFORMATION PACKAGE**
